Product NDC and Pack Size Change

Dear Valued Customer,

Pfizer Hospital is pleased to share the NDC and pack size change for Marcaine® 0.5% (bupivacaine hydrochloride injection, USP) 250 mg/50 mL (5 mg/mL) Multiple Dose Glass Fliptop Vial is now available at distributors and wholesalers (please note locational inventory may vary).

While there is a difference in NDC and unit of sale size, as detailed in the Product Information table below, please note there is no change to unit of use price or indications. Please keep in mind that as we transition to the new NDC, 00409-0525-25, both labels may be in the marketplace temporarily.

TRANSITION TABLE
