### Product Discontinuation Notification

Dear Valued Customer,

Pfizer Hospital is committed to providing supply information so that you can plan for patient care. The purpose of this letter is to make you aware of our intent to discontinue the product listed in the table below once inventory is exhausted. The decision to discontinue this product was made only after thorough assessment by Pfizer Hospital and is based on a combination of market need, manufacturing and portfolio considerations. The U.S. Food and Drug Administration (FDA) has been notified.

Please note that provided below are the last lots sold with expiration dates as a general guideline to expected shelf life. You may have other lots in your inventory, and expiration information provided on those lots should govern your actions.

NDC Number	Product Description	Unit of Sale Size	Ordering Status	Ordering/ Shipping Method	Last Lot Shipped	Last Lot Exp Date	Last Date Shipped
00409-1113-01	Indomethacin for Injection, USP 1 mg Single Dose Vial	1	Limited Supply – Short Dated	Wholesaler, Distributor & Direct	JR001	11/30/2022	8/3/2022

If you are interested in ordering the short-dated product or have product availability questions, please reach out to your Pfizer Hospital sales representative or account executive. Alternatively, the Supply Continuity Team can be contacted between 7 a.m. and 6 p.m. (CT) at 1-844-646-4398 (select option 1 [Customer], then option 3 [Supply Continuity Team]). For medical inquiries, please contact Pfizer Medical Information at 1-800-438-1985.

Thank you,

Daniel Hrlc  
Portfolio Director, Neuro, OB/Gyn, End  
Hospital U.S.
